INTERIOR DESIGNER'S BUSINESS SCHOOL

INTERIOR STYLISTS

- + Usually work for magazines on editorial projects.
- + Style show homes and spaces that showcase products.
- + Style using props and accessories to create vignettes.

INTERIOR STAGERS

- + Dress and prepare a property for sale.
- + Add décor, furniture and accessories to sell the spaces.
- + Help potential buyers imagine how to use each space.

INTERIOR ARCHITECTS

- + Can provide information for all stages of a project.
- + Draft plans, provide technical documentation and may sign-off plans.
- + Often specialise due to knowledge of local regulations.

INTERIOR DECORATORS

- + Advise on styles, trends, décor, accessories and furniture.
- + Design the look and feel of rooms with furniture and décor.
- + May work with retailers to sell their products.

INTERIOR DESIGNERS

- + Can provide services across all the other interior fields (if qualified).
- + Provide everything from space planning, layouts to décor designs.
- + Design, specify and source finishes, furniture, fittings and equipment for all types of projects.
