

How To Find Hotel Clients As A Designer

INTERIOR DESIGNER'S BUSINESS SCHOOL

STEP 1

What kind of project can you handle and what stage of the design process are you at?

STEP 2

Know what kind of work you would like to focus on. Eg. project management, turnkey etc.

STEP 3

Research the type of projects/companies you want to work with & understand the project types.

STEP 4

Focus on your niche and get visible and in front of potential clients.

STEP 5

Focus your work/ portfolio on specific projects to increase your chances of getting larger jobs.

Hotel and similar projects that require interior designers
